Important: Approval identification (ID) number for producers of alcoholic products

HMRC will shortly be introducing a new digital service for your Alcohol Duty.

To use the digital service, you will need an alcoholic products producer approval (APPA) identification. From 1 March 2025, this will cover all products and replaces all Alcohol Duty production reference(s) you currently use.

Your alcoholic products producer approval ID is XYADP0000003223

You can access the new Alcohol Duty digital service from GOV.UK or in your business tax account.

What you will need

Your APPA ID and one of the following:

- Business postcode
- Corporation Tax Unique Tax Reference (UTR)
- Self-Assessment Unique Tax Reference (UTR)

You must register for the service before 15 March 2025.

Please keep your APPA ID safe as you will need it in the future.

HMRC is adopting a 'digital first' strategy for customers to self-serve online. To ensure you receive digital messages relating to Alcohol Duty in your business tax account please provide your email address and set your preference as digital when prompted.
